Our Vision:

To develop aspirational learners who strive for excellence academically, creatively and culturally, benefitting from a wide range of opportunities led by inspirational educators.

- Marketing of camp to ensure a high level of uptake (What was the number? % of the eventual cohort);
- PC tablets to those students with 100% attendance and behaviour;
- Team building and social well-being trip to amusement park;
- Catering for all students and staff attending the programme;
