Clearly, alongside parents/carers, all members of staff at Shirley High School have a responsibility towards teaching and modelling outstanding behaviour at all times.

Detentions

Detentions are given to students for breaches of school rules and procedures (all homework related issues are to be dealt with in departments):

- Green level sanction issued by subject teacher/form tutor (for green offence). Sanction by subject teacher/form tutor of a 15 minute detention – preferably on the day during break or lunchtime.
- Amber level sanction issued by subject teacher/form tutor (for amber offence or persistent failure to attend green detention). Sanction by subject teacher/form tutor of a 30 minutes detention with 24 hrs notice avoiding Thursdays.
- Amber level sanction issued by subject teacher / form tutor (for persistent failure to attend previous amber 30 minute detention). Sanction by same subject teacher/form tutor of a reissued detention increased to 45 minutes with 24 hrs notice avoiding Thursdays.
- Red level sanction (completed on a red card) and passed onto respective HOY/HOD by subject teacher/form tutor for red offence or persistent failure to attend amber 45 minute detention. Sanction by the Middle Leader of a 60 or 90 minute ‘Middle Leader’ detention run weekly every Thursday by the HOYs/HODs on rotation.
- Red level sanction (completed on a red card) and passed onto SLT Line Manager by the HOY/HOD due to nature of offence. Sanction by the SLT Line Manager of a 120 minute ‘SLT’ detention run weekly every Thursday by SLT on rotation.
- Deliberate failure to attend a Middle Leader or SLT detention will result in a one day Seclusion as well as the original detention being reissued for the next scheduled Thursday.
- Any student absent on the day of detention will automatically carry it out on the day he/she returns to the school or in the case of Middle Leader or SLT detentions at the next scheduled Thursday.
- Saturday detentions will be issued for persistent poor punctuality to school and repeated red card offences in a half term. These detentions will be 3 hours in duration. Deliberate failure to attend a Saturday detention will result in a one day Seclusion as well as the original detention being reissued for the next scheduled Saturday detention.

NB students may be detained as follows without 24 hour notice:

- Form tutor/ subject staff may detain students without notice until 3.30 pm
- Middle leaders may detain students without notice until 4.00 pm
- Senior leaders may detain students without notice until 5.00 pm

When a student is detained for longer than thirty minutes, without 24hr notice, efforts will be made to notify the parent/carer that this is taking place.

Community Service Detentions

Students can be detained at break time or lunch time by staff to undertake community service. E.g. litter picking, chewing gum removal, clearing dining tables.

Isolation

A student will be isolated from a lesson if their behaviour disrupts the lesson to the extent where teaching and learning is compromised. In this case the student can be:

- Sent to the Head of Department or other nominated member of staff in that Department to work in isolation. The member of staff should complete sections 1, 2 & 4 on a red card and pass it to the HOD/HOY. Automatic sanction by the Middle Leader of a 60 or 90 minute ‘Middle Leader’ detention.
- Removed from the lesson by the staff member on call and taken to the Isolation Room. The member of staff should complete sections 1, 2 & 4 on a red card and pass it to the HOD/HOY. The HOD/HOY will pass it to their SLT Line Manager. Automatic sanction by the SLT Line Manager of a 120 minute ‘SLT’ detention.

A student may also be placed in the Isolation Room for pastoral reasons which may include unacceptable uniform / appearance (when it not possible for the student to leave the premises briefly to remedy breaches of the school’s rules on appearance and/or uniform), ongoing investigations into an incident involving them, or unacceptable behaviour at break or lunchtime.

Respite and Reflection

A student may be placed in the Seclusion Unit for a period of respite and reflection following a breach of school rules e.g. persistent truancy from school and / or lessons, persistent refusal to wear correct uniform or maintain an appearance in keeping with expectations. The Senior Leadership Team will have responsibility for determining whether a student should be referred for respite and reflection and the length of time that student is to spend in the Seclusion Unit.

Seclusion and Exclusion

Seclusion provides on-site education for students involved in a serious breach of school rules and/or procedures, who in the past would have been excluded for a fixed-period. The Senior Leadership Team will have responsibility for determining whether a student should be referred for seclusion and the length of time that student is to spend in the Seclusion Unit. Students subject to investigation for serious breaches of the school rules, can be referred to the Seclusion unit to be kept out of circulation.

A reintegration meeting with parents / carers will be arranged for any student who is a repeat offender, prior to the return of a student to mainstream lessons. This reintegration will take place with the Head of Year and the student will not return to mainstream lessons if evidence from the reintegration meeting shows that the student is not ready.

Fixed Term Exclusion is given in response to serious breaches of the school's rules and procedures, including persistent disruptive behaviour, where these are not serious enough to warrant permanent exclusion and lesser sanctions such as detention, isolation and seclusion are considered inappropriate.

In exceptional cases – usually where further evidence has come to light – a fixed period exclusion may be extended or a permanent exclusion may be issued.

After a fixed term exclusion a reintegration meeting with parents / carers will be arranged prior to the return of a student to mainstream lessons. This reintegration will take place with the Head of Year and the respective Vice Principal. The student will not return to mainstream lessons if evidence from the reintegration meeting shows that the student is not ready.

A Behaviour Support Programme (BSP) will be completed, at the reintegration meeting following seclusion or fixed term exclusion. It is a supportive monitoring document and it is initiated when the student concerned; shows behaviour that consistently does not meet the school's expectations; has developed a history of seclusions and / or fixed term exclusions; is at risk of permanent exclusion or is at risk of failure through disaffection. A copy of the BSP is given to all teaching staff for the student and it is carried around by the student. It is reviewed after four weeks and is either terminated, extended or a new BSP drawn up, depending on the outcome of the review.

Alternative Education Provision in the 'School House'

Students whose behaviour is a serious cause for concern in school may be referred to the School House for either a short term or long term placement. Students in this provision will follow an adapted curriculum and have bespoke timetables. The aim of the provision is to either lead to an improvement in a student's behaviour thereby enabling them to return to the main school or to enhance their chances of educational success through remaining in an environment more suited to their needs. The decision to place a student in the school house will be made by the Senior Vice Principal – Pastoral.

Permanent Exclusion is the decision to permanently exclude a student from the school. It is a serious decision which will only be taken in response to a serious breach, or persistent breaches, of the school's behaviour policy; and where allowing the student to remain in school would seriously harm the education or welfare of the student or others in the school.

A permanent exclusion will result from persistent and malicious disruption or non-cooperation or refusal to follow staff instructions or to accept the authority of staff. Serious breaches that will lead to permanent exclusion include:

- Serious actual or threatened violence against another student or member of staff
- Sexual abuse or assault
- Supplying an illegal drug
- Carrying an offensive weapon

School Discipline Panel Meetings

The purpose of the School Discipline Panel Meeting is to signal to the student that poor behaviour will not be tolerated and that they could be in danger of permanent exclusion. They will take place when a student has consistently failed on a daily report, accrued a number of seclusions and/or fixed term exclusions and despite intervention has not modified their behaviour to a level that in line with the school's expectations of students. The structure is as follows:

Appendix 3 – Sanctions outline

Shirley High School has high expectations of behaviour for all members of the school community. It is recognised that good behaviour supports outstanding teaching and learning within the classroom as well as creating a whole school environment where everyone achieves and enjoys coming to school.

Golden Rule: Students are expected to show consideration and respect to all members of the school and local community at all times.

In Lesson Procedure

SWAT:

1. State the rule that is being broken
2. Warn of the consequences if the rule continues to be broken
3. Apply the sanction (s) – green / amber/ red using the traffic light system and enter green and amber on SIMS.
4. Transfer the student (following the department's procedure for isolation) if there is persistent disruptive behaviour to the detriment of teaching and learning. Complete a red card and pass to HoD. The sanction for this is an automatic Middle Leader detention.

If further action is required beyond the SWAT system during a lesson, send for the on call member of staff by; phoning 163; or emailing dye@shirley.croydon.sch.uk; or phoning reception; or emailing reception@shirley.croydon.sch.uk. Failing this, a reliable student should be sent with a note to Reception. A red card should be completed and passed by the Middle Leader to the Senior Line Manager. The sanction for this is an automatic SLT detention.

Out of Lesson Procedure

Use 1, 2, 3 of the SWAT system. Appropriate level sanction to be issued by the member of staff. If a red level incident, the card should be completed and passed to HoY.

General Guidelines:

- Students must not be sent to stand unsupervised outside a classroom. If necessary and isolation following your departmental procedure is not appropriate (e.g. distraught student) please send student(s) with a note in their planner to Reception who will contact the member of staff on call to see the student.
- If a student shows a Time Out card please allow them to leave immediately. They will know who to report to and where. There is no need for you to write a note in their planner.
- This policy outlines general guidance however the Principal has the right to exercise discretion on a case by case basis.

Appendix 4 – Use of reasonable force guidance

1. Shirley High does not advocate the use of reasonable force but recognises that there are rare circumstances where its use may be necessary to control or restrain a student who:
 - Is either committing or about to commit a criminal offence.
 - Is likely to injure themselves or others.
 - Is causing damage to property (including the student's own property).
 - Is engaging in any behaviour prejudicial to maintaining good order and discipline at the school, whether that behaviour occurs in a classroom during a teaching session or elsewhere. NB Many situations which fall into this category, for example a student who decides to leave a lesson or school without permission or a student who refuses to obey an order to leave the classroom or who is disrupting a lesson, are best dealt with through other school procedures.

Control means either passive physical contact, such as standing between students or blocking a student's path or active physical contact such as leading a student by the arm out of a classroom, shepherding a student away by placing a hand in the centre of their back, pushing or pulling.

Restraint means to hold back physically or to bring a student under control. It is typically used in more extreme circumstances.

It is not reasonable to:

- Hold a student around the neck, by the collar, or in a way that restricts the student's ability to breathe.
 - Slap, punch or kick a student.
 - Trip up a student.
 - Hold or pull a student by the hair.
2. All members of staff employed by the school, representatives from outside agencies and voluntary helpers are authorised by the Principal to use reasonable force to control or restrain students; on the school premises, on an educational visit or on a school trip; where they can justify that it is:
 - As an act of care and not punishment
 - As a last resort when all other reasonable strategies have proved ineffective or impracticable
 - With the minimum force necessary and such that the degree and duration of force is
 - Proportionate to the circumstances.
 - Conducted in a manner that maintains the safety and dignity of all concerned.
 2. The use of reasonable force should be as a last resort. Staff should be able to justify that means other than force have been attempted and proved ineffective or would have been impracticable. In order to prevent or defuse a difficult situation, staff may find it useful to:
 - Summon the assistance of another authorised member of staff.
 - Continue speaking and listening to the student.
 - Divert, distract, cajole or humour.
 - Employ appropriate levels of eye contact during any dialogue.
 - Reason with the student and offer him appropriate choices.
 - In the case of use of restraint - as soon as it is safe, gradually relax any hold or restraint to allow the student to regain self-control. The student should be informed about what will happen next and be offered reassurance and encouragement to remain calm. In this way the student will be more likely to see the use of reasonable force as an act of care.
 4. Positive physical contact involving staff and students can contribute to the development of a safe, supportive and inclusive school culture. There may be circumstances in which contact with students is likely, unavoidable or necessary. Examples occur when members of staff are working with students with special educational needs who may require physical prompts or help, students requiring first aid, students receiving coaching in sport, as part of a curriculum activity or with students in distress. Staff will need to make professional judgments about the nature and extent of their physical contact with students, to ensure innocent and well intentioned actions are not misconstrued. Staff will need to have particular regard for cultural sensitivities, to the developing awareness of adolescent students and in particular, to children who have previously experienced physical or sexual abuse.
 5. Members of staff must record any serious incident involving the use of reasonable force using the 'Use of Reasonable Force' Report (appendix 4a) and give a copy to the Senior Vice Principal (Student Well-being) as soon as possible. This is to ensure that parents / carers can be informed without delay and incidents can be monitored. All complaints following a dispute about the use of force used by an adult should be referred to the Senior Vice Principal (Student Well-being).

Section 550A of the Education Act of 1996 does not cover all situations in which it might be permissible to use a degree of force. For example, everyone has the right to defend themselves against an attack provided they do not use a disproportionate degree of force to do so.
