

SHIRLEY HIGH SCHOOL PERFORMING ARTS COLLEGE

Attendance & Punctuality Policy

Mission statement: We deliver high quality teaching and learning in an environment that meets the needs of our students, so that all achieve and enjoy.

Philosophy

Shirley High School Performing Arts College promotes a learning environment where it helps children achieve more.

We believe that if students are to benefit from their education and achieve their potential, good attendance and punctuality are crucial. As a school we do all that we can to ensure maximum attendance for all students and we identify and address any problems that impede punctuality and regular attendance as speedily as possible.

All parents / carers have a duty under section 444 of the Education Act 1996 which states that, 'if a child of compulsory school age who is a registered pupil at a school fails to attend regularly at school, the parent is guilty of an offence.'

Under the terms of the education related provisions of the Anti-Social Behaviour Act, parent/carer(s) may be issued with a Penalty Notice of £60 if:

- You fail to ensure that your child attends school, or other education provision regularly
- You allow your child to take leave of absence in term time without a school's authorisation
- You fail to return your child to school on an agreed date after a leave of absence
- Your child persistently arrives late for school after the register is closed

We recognise, therefore, that parents / carers have a vital role to play in establishing regular and punctual attendance and therefore strive to work in partnership with parents / carers in promoting and encouraging 100 per cent attendance for all our students.

If there are problems that affect a student's attendance or punctuality we will investigate, identify and strive in partnership with parents/carers and students to resolve those problems as quickly and efficiently as possible. We will adopt a clearly focused approach aimed at returning the student to full attendance at all times. A similar approach will be adopted with students whose punctuality is considered to be an issue.

Rationale for good attendance

- 90% attendance = ½ day missed every week
- 1 school year at 90% attendance = 4 whole weeks of lessons missed.
- 90% attendance over 5 years of secondary school = ½ a school year missed.
- It is suggested that 17 missed school days a year = a one GCSE grade drop in achievement.
- It is suggested that 10 missed school days a year = a one AS/A2 grade drop in achievement
- It is suggested that if a school can improve their attendance by 1%, they will see a 5-6% improvement in the whole school attainment.

Rationale for good punctuality

- 5 Minutes late = 3.4 school days missed per year
- 10 Minutes late = 6.9 school days missed a year
- 15 Minutes late = 10.3 school days missed a year
- 20 Minutes late = 13.8 school days missed a year
- 30 Minutes late = 20.7 school days a year

Principles

The school will ensure:

- that staff receive CPD to maintain knowledge of registration, attendance and punctuality procedures as well as school attendance and punctuality levels;

- that staff convey the importance of good attendance and punctuality for a successful education;
- that regular liaison between the Heads' of Year (HOY), Attendance & Welfare Officer (AWO) and the Senior Leadership Team (SLT) member with responsibility for Pastoral regarding attendance and punctuality takes place;
- that students and their parents/carers understand the importance of good attendance and punctuality through positive reinforcement and working in partnership with us;
- that clear, open channels of communication are established to inform students, parents/ carers and staff of any issues with attendance and/or punctuality;
- realistic targets for whole school and individual attendance and punctuality are set;
- regular evaluation of attendance and punctuality procedures, systems and interventions;
- effective reintegration programmes are implemented following a period of absence (that is longer than two weeks) from school due to illness or injury, alternative education off site or fixed term exclusion and that they promote positive staff attitudes to students returning after such absences;
- students with poor attendance and/or punctuality are challenged and students with good attendance and/or punctuality are rewarded.

Attendance procedures

- On the first day of absence parents/carers have a responsibility to inform the school of their child's absence either by direct telephone contact with the Attendance Office on 020 8 656 9755 ext 163 or by e-mail to 'attend@shirley.croydon.sch.uk'. When the student returns to school after an absence, parents/carers must complete an 'explanations for absence' slip in the student planner.
- If electronic registration indicates a student to be absent and no contact has been received from the parents/carers, a text will be sent to the parents/carers informing them of their child's absence from school and asking for verification of the absence. This text will be repeatedly sent on that day until the parent/carer responds. This process will be repeated for every day the student is absent.
- If no response is received regarding the absence after three school days, the Attendance and Welfare team will try to make contact. If this is unsuccessful, a home visit will be undertaken. If the home visit is unsuccessful further contact will be attempted until either a response is received or it is judged that a Police Welfare call or Child Missing from Education referral is required.
- If attendance drops below 94% a poor health letter (reminders that the student is approaching the monitoring point of 93%) will be issued by the Attendance Team.
- If attendance drops below 93% a doctor's certificate letter (request that any future absences will now need medical evidence) will be issued and the student will automatically be subject to monitoring by the AWO, HoY and SVP – Pastoral.
- If there are issues with persistent and/or patterns of poor attendance, staged intervention will be implemented and the AWO will contact the parents/carers, reminding them of the legal requirements regarding school attendance. Parent/carers will be informed of the following as required:
 - Stage 1; letter will be issued re-iterating the need for medical evidence and that the student's attendance will be closely monitored for 4 weeks.
 - Stage 2; letter will be issued stating that if there are any further unauthorised absences the parents/carers will be invited to an Attendance Panel Meeting. At this meeting the following can be implemented; a Parenting Contract (Formal written agreement to support an attendance action plan); a Medical Consent Form (permission for a letter to be sent by AWO to GP to determine the medical need) completed by parent/carer; exploration into initiating an individual Health and Care Plan (IHCP), referral to the Early Help Service through completion of an Early Help Assessment (EHA); referral to the Educational Psychologist (EP); referral to Child and Adolescent Mental Health Service (CAMHS); referral to alternative education providers e.g. Springboard or Cotelands following medical diagnosis.
 - Stage 3; letter will be sent stating that the school has been unable to work in partnership with the parent and student following the implementation of Stages 1 & 2 and that as a result they believe the legal requirements of the parent are not being met and initiate prosecution.
- Students are encouraged to attend medical appointments outside of school time but where this is not possible parents/carers must complete a 'medical appointment slip' in the student planner.
- If a student has been absent for two school weeks or longer a reintegration meeting may be held with the student, parents / carers, HOY and AWO to support the student in returning to school.
- Principals may not grant any leave of absence during term time unless there are exceptional circumstances, this regulation came into force on 1st September 2013. Should a school not agree to grant

leave and parents/carers take their child on holiday regardless, then this will be counted as unauthorised absence (truancy). The school can then issue a Penalty Fine of £60 for this period of unauthorised absence.

Punctuality Procedures

- Students should arrive to school between 8.15 am and 8.25 am. Morning registration starts at 8.30 am.
- If a student is going to be late to school, parents/carers have a responsibility to inform the school of their child's lateness either by direct telephone contact with the AWO on 020 8 656 9755 ext 163 or by e-mail to 'attend@shirley.croydon.sch.uk'.
- If a student arrives after 8.30 am but before 8.45 am, their names will be recorded in the late book by a member of SLT on duty at the gate and they must then report to their form room. Students are marked as late (L) if they arrive to their form room after the 8.30 am bell. The register will be closed by the Form Tutor at 8.45am.
- If a student arrives after 8.45 am they should go to the Attendance Office where they will be signed in, marked as late (L) and receive a late stamp in their student planner. Following which they are to report directly to their lesson. Any student that arrives late and does not have a late stamp in their student planner must be sent to the Attendance Office to get one.
- Students will automatically be given a form tutor detention of 15 minutes for the fourth and then every subsequent late up to nine lates.
- Students will automatically be given a Middle Leader detention of 60 minutes if they are late ten or more times.
- Students will automatically be given a Middle Leader detention of 90 minutes if they are late fifteen or more times.
- Students will automatically be given an SLT detention of 120 minutes if they are late twenty or more times.
- Students will automatically be given an SLT Saturday detention of 3 hours if they are late twenty five or more times.
- Students will automatically be given a period of respite and reflection in the Seclusion Room, followed by a parent/carer meeting if they fail to attend an SLT Saturday detention or remain persistently late in an academic year.
- Students may be asked to undertake community support detentions (e.g. litter picking, chewing gum removal, recycling) during break time or lunch time in response to poor punctuality to school and / or lessons.
- Persistent issues with poor punctuality will be referred to the AWO. The AWO will contact the parents/carers directly making them aware of the legal requirements regarding school punctuality and that penalty notices may be issued and / or court proceedings pursued. Attendance at compulsory parent/student meetings and / or panel meetings will be expected.

In school Attendance and Punctuality

Students and staff should ensure that good punctuality and attendance to lessons and registrations is expected by all and is a high priority.

Staff must ensure that they arrive to lessons on time to meet and greet their students. Sanctions (according to the behaviour policy) should be issued to any student who arrives late to the lesson. Persistent poor punctuality should be dealt with by the Head of Department (HOD) and then the Senior Line Manager if the problem persists. If the poor punctuality is across subject areas the form tutor will place the student on Tutor report. If the problem persists it will be referred to the HOY who will place the student on HOY report. If the problem persists it will be referred to the AWO who will liaise with the SLT member with responsibility for Pastoral regarding the action needed.

Sixth form students, for whom travel between school sites is necessary, must sign in with the Attendance Office on arrival and departure from the school.

Staff should take an accurate register of their students every lesson and follow up absences to verify they are genuine. Sanctions (according to the behaviour policy) should be issued to any student who truant a lesson. Persistent truancy from a subject should be dealt with by the HOD and then the Senior Line Manager if the problem persists. The HOY should be notified in the event of any truancy in case it is an issue across subject

areas. If truancy is persistent the HOY will contact the parents / carers and apply a sanction (according to the behaviour policy). This action will be as well as the action taken within the subject areas. If the problem persists it will be referred to the AWO and the SLT member with responsibility for Pastoral.
