Dear Parents / Carers

Welcome to our Summer Newsletter. As another academic year draws to a close, a number of our students are leaving Shirley High School to go on to University or a whole range of employment opportunities.

To celebrate their success and dedicated hard work over the past two years, Post 16 students enjoyed their Leavers Ball at Farleigh Golf Club on Friday 6 July 2018 where students dressed to impress and were wonderful ambassadors for the school. Year 11 also enjoyed their End of Year Celebration on Thursday 12 July 2018 at the Surrey National Golf Club.

We wish them all the very best of luck for their forthcoming results and hope they will look back at their experience at Shirley High School with affection.

I would like to take this opportunity to wish you all a very enjoyable summer break. I look forward to seeing you all in September.

SIXTH FORM NEWS - REFLECTION ON THE YEAR

We started the year knowing we had fantastic A level and BTEC results;

83% A*-C A level

98% Distinction* - Merit BTEC Level Three

99.5% Pass Rate

We learnt later on that our A level results placed us in the top 5% of Sixth Form schools and colleges for Value Added Performance and top 10% for BTEC Level Three Value Added Performance.

The Sixth Form at Shirley High continues to go from strength to strength. The students have not only worked hard on their studies this year but have given a great deal to the life of the school; mentoring, charity work, school shows & concerts, assemblies etc. They have also enjoyed Christmas meals, school trips, team building days, Sports Days, Year 13 Leavers Ball and lunch plus camping! In the following pages you will see how much they have been involved within the school.

Year 13 have now finished their studies and await their results. Most are going off to university, others to work and some to higher apprenticeships; they are all prepared for the next step and looking forward to the future. We wish them all the very best. It was a pleasure to have worked with and supported them.

A Level, BTEC Level Three and AS level Results Day is on Thursday 16 August 2018, we anticipate another successful year and will share the outcomes with you in the next Newsletter. Year 12 are a wonderful year group, shown in their support for Sports Day, Camp and attendance at the UCAS evening. They have worked hard and deserve a splendid summer holiday, one that recharges their batteries in preparation for the exciting year ahead!

Step into Sixth Form Day

On Wednesday 27 June 2018, students who had applied to Shirley High School Sixth Form were invited to the Step into Sixth Form day. The event was very well attended with close to 100 students on site in the Sixth Form block. Apologies came from a number of other students who were at the NCS event. They were placed randomly in 5 groups to complete a circus of activities. My thanks must go to the staff who made this event possible, Ms Kerley (Director of Vocational Studies and Performing Arts), Ms Wallace (Girls PE/Deputy Head of Sixth Form), Ms Palmer (Post 16 Learning Mentor), Mrs Brown (Leading Maths Practitioner), Mrs Ike (Head of Science), Mr Nicholson (Head of Media), Mrs Attenborough (History) and of course Mrs Kelly (Sixth Form Administrator) for keeping everything running smoothly. We were also assisted by a large number of prospective Year 12 prefects.

Students looked at study skills with Ms Wallace and Ms Palmer, lateral thinking and team building with Mrs Attenborough and Mr Nicholson. Quiz and challenge with Mrs Brown, Sixth Form Life and Post 18 with Mrs Harris & Mrs Ike and planning for a Leavers Ball with Ms Kerley. Lunch was provided and as the weather was so nice, the grass area by C block was pressed into service and proved to be a popular shaded spot if students did not want to sit in the fierce air conditioning of the C block!

The event ended with an assembly and the giving out of key forms to be returned at enrolment and holiday tasks to help students prepare for level 3 courses.

Mrs L Harris - Head of Sixth Form

A huge congratulations once again to our Swimming Champions Sophie Bennett 7S and Nicholas Nicholls 7L who have been swimming together for 4 years!

Sophie collected her medal for winning the 30 meters Girls' Freestyle race and Nicholas' team came first in the 25 meters relay race at the London Youth Games Para Swimming Gala held on Wednesday 6 June 2018.

We wish you both the very best of luck in the National Championships in Manchester!

And another sporting success! Congratulations to Kiaya Downer 9Y for gaining 1st place in the 100 meters race and for representing Surrey achieving 4th place.

Young Interpreters Scheme

The Young Interpreters Scheme is about students using their first language or student-friendly English to help new arrivals from overseas, to access English and feel part of the school. Students learn different strategies to clarify explain and "interpret" a whole range of school activities, systems and procedures. Students attended training once a week for 4 weeks. We learned about the role of a young interpreter, watched role plays and discussed scenarios of what a good and a bad interpreter would do. We watched a History lesson in Welsh so that we could feel what it is like to be in a lesson and not understand English. We also looked at examples of useful ways to help new students arriving with little or no English.

Uthistah Sinnakannu 8S

The Young Interpreters' Scheme is a brilliant new scheme our school has set up that allows both bilingual and English speaking students to help new students who arrive with little or no English, to settle into school. This scheme hits home for some of us young interpreters because we were once in that position, so we know how useful it will be. The group is filled with a diverse group of students from all years.

As well as supporting new students who arrive with little or no English, the Young Interpreters will be involved in activities throughout the year which promote the many benefits of speaking another language and give our bi and multilingual students a chance to show off their language skills. Given that there are 49 languages spoken at Shirley High School, including English and British Sign Language, there will be a lot to celebrate.

Ms E O'Rourke (EMA Co-ordinator) & Ms D Stuart (2nd in English)

Year 13 Leavers Ball 2018

On Friday 6 July 2018, Year 13 held their Leavers Ball at Farleigh Golf club. The students "dressed to impress" and some also arrived in style! Mr Barrow (Principal) admired the limousine hired by students. It was a pleasure to welcome past students from the group who left Shirley in Year 11. It was also wonderful to welcome back Mr Willis and Ms Khan who popped in to see their old students. Past photography student Robyn Valentine provided a novelty picture service and we all stopped to watch the memories video created by the Leavers Ball team who had also done a wonderful job in decorating the venue even though the novelty balloons they had ordered were found to be coming from China and they needed to improvise!

The weather was glorious, the food flavoursome and continuous and we danced the night away to Mr Skeete's disco. Some ladies had made ill-advised shoe choices and were seen dancing the night away in bare feet. Carriages were ordered for 12.00 am and many students then carried on to clubs.

We all had a wonderful night and thanks must go to the Leavers Ball group and to Farleigh for their hard work in organising the event.

Healthy Schools Week - Monday 11 June 2018 - Friday 15 June 2018

Monday 11 June 2018 - Dairy farming - For Healthy Schools Week, we discussed the effects that supermarkets and large companies, such as Muller, are having on our farming. Students looked at milk alternatives and discussed the pros and cons for our health and students were able to taste a variety of different milks and alternatives such as Goats, Rice, Almond, Oat, Soya and Cow's milk.

Tuesday 12 June 2018 - Meat free or meat alternative - We also discussed the effects that the meat production has on our planet with our ever growing population. Specialists estimate that our meat supplies could run out in 50 years or less! Students tasted 4 different Vegan dishes, Coconut Curry, Quorn Tikka Masala, Quorn Biryani and Vegan Bolognese. Students were also able to sample Rabbit and Pigeon due to their sustainability on our planet. Not to be confused with the common Grey Pigeon that populates Trafalgar Square, but the Wood Pigeon that is often white and lives in our forests. The Wood Pigeon forages for its own food, eating berries and grubs and is popular with top chefs served in Michelin Star restaurants. Rabbits are also in plenty supply due to their vast breeding habits! However, a Cow will only calf eight times in her life span.

Wednesday 13 June 2018 - WW2 Ration Day - We looked into the weekly ration allowance for an average adult in the UK and discussed what the Germans fed their Prisoners of War. We offered a selection of some tasty foods such as Anzac biscuits, a Coconut biscuit and Eggless sponge which tastes similar to bread pudding. These were extremely popular with students and have asked for them to be put onto the school menu! This will be available with immediate effect.

Students also sampled Wartime Loaf with Margarine, Spam & Beans for the fast food of the day. Lord Woolton Pie, boiled Vegetables with Marmite and Margarine placed into a pastry pie case. This received a mixed opinion amongst the students. Students also sampled Eggless Mayonnaise made from mashed potato, oil and mustard. This proved very unpopular with the students and I can completely understand why!

The same ration food was offered to Year 8 History students who are currently studying World War 2. This was an enormous success and thoroughly enjoyed by all!

Students were also handed out a Mock 1940's style dark chocolate KitKat and we discussed the cost of this snack. With the average working wage in 1940, we compared the cost of KitKat with today's average wage; Food for thought....could this be a part of the reason for a rise in obesity?

Thursday 14 June 2018 - Water - Flavoured water was laid out on tables at lunchtime - Iced Lemon, Lime, Orange, Mint, Pomegranate. We encouraged students to drink more water demonstrating how easy it is to add flavour to plain water.

Friday 15 June 2018 - Fibre - Students also enjoyed free porridge with mixed berries and honey for breakfast with trays of high fibre food available on tables at lunchtimes. Students were given fact sheets on understanding the benefits of Fibre in their diet. High in fibre foods such as Wholegrain Bread, Carrots, Sweetcorn, Mixed Beans, Hummus, Avocados and mixed Berries. We also reinforced the importance of eating breakfast, the need to keep active, to drink plenty of water, eat "5 a day" and make healthier food choices.

Miss S Frost - Catering Manager

On Tuesday 3 July 2018, the Food Technology Department offered students who have been attending Garden Club regularly to visit to the local market. Aimee Gaughan-Frampton 8R, Tiana-Rose Johnson 8R, Sophie Keel 8I and Jasmine Walinet 8R were given the opportunity to sell produce that they have been growing in the school garden this year. This has been organised by School Food Matters as part of their 'Know Your Onions' initiative that took place at the Croydon Clocktower.

Students received a letter from Dela Foster - Development Manager

"Thank you so much for your fantastic efforts. It was a magnificent day. We had a great turnout, and across all 15 schools you raised £420 for food education projects in your schools. Congratulations to the Lammas School in Waltham Forest who raised £170 from their vegetables and other products.

Across London, we had students energised and excited to sell their produce, and amazed customers hearing that it was grown at a local school.

We had a lot of interest from mayors across London – in Camden, Croydon, Waltham Forest, and the deputy speaker in Hackney (Diane Abbott sadly required in Parliament).

We would love you all to build on this success and join us for the final year of the project 2018-2019. I will be in touch again in the autumn" - Dela Foster - School Food Matters

PASTORAL

Uniform Reminders

Shirley High School is a good school with high expectations. We are proud of our school and our students should be proud to wear the uniform. Please can parents / carers ensure that we start the new school year with all students in the correct school uniform. The current uniform list is available on the school website and it is important that if parents / carers are in any doubt about any aspect of uniform they contact the school. It is unfortunate that, sometimes, students can give you the incorrect information.

As we approach the Summer holidays, please remember that any decisions made regarding extreme haircuts, extreme hair colours, piercings and nail extensions, must be rectified in time for the students to be presented according to our uniform rules on the first day of the Autumn term in September.

Please be advised, particularly in the case of piercings that, irrespective of the timing of the piercing, students will not be permitted to cover them, but will be asked to remove them at school. Notes from home asking for permission for the piercings to remain in or be covered will not be accepted. We would therefore suggest that the ideal time to get ears pierced would be at the start of the summer holidays so the ears have healed by the end of the 6 weeks and the earrings can easily be removed. If this is not the case the student must be prepared to remove them for school, and we ask that you support us with this request to avoid the need for sanctions.

Make up should be discrete and coloured nail polish is not permitted .

We have had issues with brightly coloured braids mixed in with natural coloured braids and line / patterns shaved into hair and eyebrows which is disappointing. These haircuts, styles and colours are not suitable for school and we do expect parents / carers to support us with this.

School skirts should be purchased from Hewitts and have either one or two front pleats only – no other style is permitted. There have also been issues with the permitted lengths so to clarify: skirt length should be on or about the knee.

School trousers must be grey and be standard fitting school trousers. Trousers that are black or combat or jeans style are not permitted.

Plimsolls As of September 2018 , students will no longer be allowed to wear all black trainers or triple black trainers as part of their uniform for PE lessons. A black trainer with a distinctive other colour incorporated into the design will be allowed, but all black will be deemed inappropriate. Plimsolls, pumps and converse styles of trainers also continue to be not acceptable for health and safety reasons as they fail to support the feet and give adequate grip during the various sports played on the PE curriculum. Please do not hesitate to email Mr Powders (Head of PE) if you have any questions: powders@shirley.croydon.sch.uk

School ties were replaced with clip on ties some time ago now and it is expected that the majority of our students will now have clip on ties. In Year 7 the ties will be silver, Year 8 red and Years 9 green and Years 10 – 11 remain gold. Please could parents ensure that the ties are clearly named and encourage your children to look after their ties. Frequent opening and closing of the clasp does weaken it, so students must avoid constantly clipping and unclipping their ties throughout the day if they wish to preserve the life of their tie!

Hair accessories must be plain navy, black, grey or white in colour only. Headscarves worn for religious reasons are to be navy, black or white only.

There are no changes to our school uniform for September and if any item of school uniform needs replacing please check that the uniform purchased is both suitable and of the correct style for our school to avoid the expense of having to replace incorrect items with the correct ones or your child receiving a sanction.

Organisation

Please can parents / carers ensure that all students have a fully stocked pencil case as well as the equipment they need for subjects such as Food Technology, PE, Dance etc.

All students must have a pencil case containing:

- Pens (at the very least - 2 x black, 2 x green, 2 x red)
- Pencil (at the very least - 2 lead pencils)
- Rubber
- Pencil sharpener
- Ruler
- Glue

Being equipped and ready for lessons is very important and prevents the disruption of teaching and learning that occurs when a student does not have the right equipment with which to complete the lesson.

Please also can you ensure that you see your child's student planner daily and sign it weekly. The planner is used as a weekly planner/diary as well as to communicate messages between home and school and record rewards and/or sanctions. The planner also contains information to assist our students with literacy, numeracy, learning skills and general information. Please take your time to familiarise yourself with the planner so that it can be used effectively as a source of information and as a means of communication between home and school. Students should have their planner with them every day.

Rules relating to mobile phones

Mobile phones are not permitted at Shirley High School – there have been no changes to this rule. They are not permitted on our site and this was made clear to all parents/carers on the admission of their children to the school. With this in mind we are not responsible for the loss or theft of mobile phones on our premises should students break our rules and bring them into school. Any student found in possession of or using a mobile phone on our premises will receive a detention and have the phone confiscated.

Please consider the advice of the police in the protection of our young people - they are made more vulnerable by carrying money and personal electronic devices on their person when travelling to and from school. Most crimes reported to the police by young people are committed by other young people and involve the robbery of money, mobile phones and other electronic devices.

Please also consider the national increase of cyber-bullying and sharing of other people's personal information and images as a result of more young people having and using mobile phones and other electronic devices 24/7. The use of mobile devices to share images, video clips of others without their permission is on the increase nationally and is the cause of much upset and distress to young people.

It is important that parents / carers are mindful of the issues surrounding the improper use of mobile phones and support the school in preventing these issues occurring through supporting our policy on not allowing mobile phones.

If there are extenuating circumstances which require your child to have a mobile phone in school, a letter should be sent to the Principal explaining these circumstances and requesting special permission to bring a mobile phone into school. If permission is granted, the phone will need to be handed into the office at the start of the school day. It will then be stored in school during the day and returned to the student after school.

Please share this responsibility and work in partnership with us to ensure this rule is adhered to. Thank you in advance for your cooperation.

Security

Please can I ask that all parents / carers and other visitors to the school report directly to reception during school opening hours, so they can be signed in as appropriate. Out of hours, visitors must use the entry system either at the school front gate or in Reception so that a member of the site team can meet them and monitor who is on site. Students will challenge or alert school staff and staff will challenge any unauthorised visitors or non-Shirley students on site and direct them as appropriate to Reception to be signed in.

Behaviour

The school's Behaviour Policy is available for reference on the school website and there have been some slight amends. A copy of the school rules relating to; attendance and punctuality (also see separate attendance and punctuality policy); general behaviour; the safe use of school premises; uniform; and prohibited and banned items is also available in the student planner.

The aim of the policy is to encourage and reward good behaviour throughout the school thereby promoting a learning environment where everyone can 'strive for excellence'. It aims to:

- Instil our core values;
- Promote good behaviour, self-discipline and respect in and out of school;
- Reward students who meet and exceed our expectations;
- Prevent bullying;
- Ensure that students complete assigned work; and
- Regulate the conduct of students

We are committed to promoting a positive attitude towards our Golden Rule; 'Students are expected to show consideration and respect to all members of the school and local community at all times' and to that end students who behave well will continue to be rewarded and those who do not will continue to be sanctioned in line with our policy.

Parents / Carers have a vital role to play in promoting a positive attitude to school and together with the school, celebrating achievement at all levels and in all areas of school life. We will continue to work with parents / carers and the student to resolve any difficulties that may affect a student's behaviour and the parents / carers' support in this cannot be underestimated.

Unfortunately there are a small minority of students this year who have not always behaved according to our high expectations whilst travelling home from school. Poor behaviour out of school, brings the name of the school into disrepute, damages our good relationships with the local community and will not be tolerated. We will continue to work in partnership with parents/carers and our attached school officer to bring about, where required, the necessary changes to these students' behaviour.

We would, however, like to congratulate the majority of our students on their behaviour this term. The majority of our students have maintained the high standards of behaviour expected at Shirley and have conducted themselves appropriately both in and out of school.

Ms M Francis - Senior Vice Principal

Croydon Safeguarding Concerns regarding Snapchat

The Director Of Education and Youth Engagement for Croydon sent a letter to all Croydon schools regarding recent internet safety concerns.

It is important that this letter is read and the issues raised discussed, as appropriate, with your child(ren). The letter is available on the school website.

Childline have launched an app called 'Zipit' which you may wish your child(ren) to use if they find themselves in the situation where they receive inappropriate requests for images.

<https://www.childline.org.uk/info-advice/bullying-abuse-safety/online-mobile-safety/sexting/zipit-app/>

Students at Shirley High School receive Internet Safety information through PSHEE sessions and are regularly reminded of the dos and don'ts for safe internet use in assemblies and computer based lessons. They have had internet safety sessions in assemblies in line with Internet Safety Week (5 February – 9 February 2018). For further information on Internet Safety, please see the Surf Safe Guide and the E-Safety presentation slides also on our website.

Live Streaming of Sexual Offending – CEOPS Education Team Briefing

In response to reports of an increased threat of sexual offending via Live streaming apps, the following item posted on the CSCB site gives further information and guidance:

<http://croydonlcsb.org.uk/2017/12/live-streaming-of-sexual-offending-ceops-education-team-briefing/>

For parents / carers finding out that images and videos of abuse are being circulated by young people and adults on social media, it can be a stressful time and difficult to know what course of action to take immediately. Here are some clear steps to take and important things to remember:

- Please never share a video or image depicting any kind of abuse involving children
 - Each time a video or image of abuse is shared it re-victimises the child and increases the likelihood of blackmail, feelings of self-blame and powerlessness
 - Report it to the platform it has been shared on e.g. YouTube, Facebook, Snapchat, Instagram etc
 - Report it to CEOP if it is an image or video of sexual abuse involving a child with a link to where the video or image is hosted e.g. YouTube, Facebook.
 - If it is not on a public platform and it only exists on a device i.e. Phone, tablet. Once reported, with authorisation of CEOP or the Police, delete it from the device it has been sent to (if offender usernames are visible make note of them)
 - Encourage other people to report if it is being shared publicly.
- If you work in a school or college and are concerned about what to do with peer to peer sharing of sexual images or videos you can refer to the 'Sexting in schools and colleges guidance'

If a parent or carer is worried about a child seeing inappropriate things online Thinkuknow/parents has more information.

Off The Record are a young person centred organisation offering counselling and emotional support. They have recently added a new [online counselling service](#) to Off The Record's other support services (all detailed on the [Off The Record website](#)).

Whilst some young people may prefer face to face counselling there also a number of young people who find it difficult to engage with this type of support for a variety of reasons, including school refusers. When you register you will have contact within 48 hours and be starting to work with a counsellor within 5 working days.

The service is text based, via their secure website, so may not be suitable for those who find reading and writing too challenging or don't have access to a laptop or tablet. They believe passionately that the relationship between counsellor and client is central to the counselling that they offer and this is no different in their online service where young people work online with a counsellor in weekly sessions. All of their counsellors are qualified face-to-face counsellors who have undergone additional training to work effectively in the online environment.

Young people can register independently, please use the link on our website.

A positive parent-child relationship is important for children's social, emotional and mental development. Therefore Croydon Council are pleased to offer a number of parenting courses, covering the different stages of childhood and the unique challenges they can bring. You can choose what courses will suit you and your family best.

Parents or carers who wish to register to attend these courses, or find out more should either;

- speak to their local children centre staff
- speak to their Best Start Worker or Social Worker

Read more about what programmes are available and who they are for in the parenting booklet –

Counselling Provision

Counselling is currently provided in school by a trained counsellor. If you would like your child referred for counselling please contact Mrs Duncan – Head of Inclusion and Student Support. Letters will be sent via all students, regarding this provision, at the start of next academic year.

If during the summer holidays or while a referral may be being processed next academic year your child would benefit from counselling please consider using 'Off the Record'. They provide a counselling service to young people in Croydon and they have recently launched an on-line service that young people aged 14 and upwards can access. This is a service that young people can self-refer to and offers on-line support from trained staff. This is a free service.

Attendance and Punctuality

At Shirley High School we expect our students to achieve 96%+ attendance during each academic year.

(This means no more than 8 days off in the whole year).

Students are expected to have less than 3% lates in an academic year.

(This means no more than 6 late arrivals to school in the whole year).

We do not authorise any absence during the academic year unless a Student Absence Request Form has been completed and is accompanied by the evidence required e.g. an Order of Service for attendance at a funeral, details of when the flight was booked for unforeseen emergencies requiring overseas travel etc. We do not allow time off for holidays during term time as they have a detrimental effect on learning. A student who takes a 10 day holiday during an academic year will only attain 95% attendance, providing that they attend every single other day. If, after having a 10 day holiday, a student is then genuinely ill, then each additional day they are absent from school will reduce their total attendance by 0.5%.

Research suggests that 20 missed school days a year i.e. 10% non-attendance = 1 GCSE grade drop in achievement.

Attendance matters

100%	=	no days absence from school (September to July)
95%	=	10 days absence (2 weeks) from school (September to July)
90%	=	20 days absence (4 weeks) from school (September to July)
85%	=	30 days absence (6 weeks) from school (September to July)
80%	=	40 days absence (8 weeks) from school (September to July)

Students falling below 93% attendance will be subject to monitoring by the Attendance & Welfare Officer.

Students falling below 90% attendance fall into the Persistent Absence category and come to the attention of the Local Authority. They could be subject to:

- **Parenting contracts and orders**
- **Penalty notices**
- **Prosecution**

Punctuality to school is equally important. Arriving to school on time sets our students up well for the day ahead as well as ensuring they access tutor time with their form tutors, which is where a lot of our pastoral work is undertaken. Our students are expected to be on the school premises by 8.20 am. Students are late if they arrive to their Form room after the 8.30 am bell. Poor punctuality has a detrimental effect on achievement as well as general organisation.

- 5 Minutes late = 3.4 school days missed per year
- 10 Minutes late = 6.9 school days missed a year
- 15 Minutes late = 10.3 school days missed a year
- 20 Minutes late = 13.8 school days missed a year
- 30 Minutes late = 20.7 school days a year

Some students have had issues with their punctuality to school this year and letters will be sent to parents / carers of those students. Next academic year sanctions for poor punctuality will include community service as well as the usual weekday and Saturday detentions. Persistent punctuality will result in further parent / student intervention.

Please continue to support us and your child by ensuring their attendance remains above 96% and their punctuality remains good (no more than 3% lates), thereby allowing them to achieve their potential.

If there are problems, queries or questions regarding attendance or punctuality please contact the Attendance & Welfare Office by telephone on 0208 656 9755 extension 163, or by email on attend@shirley.croydon.sch.uk

Ms M Francis - Senior Vice Principal

IMPORTANT NOTICE TO ALL PARENTS / CARERS SAFEGUARDING

Would all parents / carers please sign in at Reception if entering the school building for any reason, at any time of day, even before or after school. This is for security and safety reasons.

Also a reminder, please, do **NOT** drop students off by car **inside** the school grounds or **outside** the school at the gates as this causes congestion and is also a hazard to students and other road users.

Due to congestion, please do not use the staff car park.

Thank you for your help with these issues.

N M Barrow - Principal

MEDITERRANEAN WATERSPORTS TRIP

SPAIN (COSTA BRAVA)

Cost £800 – 9 days 8 nights
(Day trip to Disneyland Paris included)

Shirley High School is offering students the opportunity to participate in a variety of Watersports activities in La Fosca, Spain, with the tour company PGL. Successful Watersports trips at Shirley High School have been run in the past and they are famous for their fun, adventure and friendships as well as giving the students a learning experience that they can only obtain from being on such a trip.

Shirley High School recognises the importance that social skills and physical health play in the lives of young people today. It is our school's aim not only to encourage students in their academic studies, but also to motivate them to develop their interpersonal skills and physical fitness as well as gaining experience of new environments in preparation for their future.

We have managed to negotiate a very good price for a Watersports trip to La Fosca, which is situated on the Costa Brava, close to Girona and only an hours' coach trip to Barcelona. The accommodation is at Camping Kings, La Fosca which is an amazing centre offering a huge variety of facilities including a large swimming pool, games room, on-site 10 pin bowling and super market. As well as participating in a variety of Watersports, students will have; evening activities; a day excursion at a waterpark; beach activities, disco nights and on the final day a trip to Disneyland Paris, all for the very reasonable price of £800.

Camping Kings, La Fosca offers very comfortable accommodation, where students are in lockable, fixed mobile homes, which sleep between two and six people and have their own bathroom and toilet facilities. All meals are included when in resort and served in a spacious canteen used exclusively by PGL groups.

The provisional dates of travel are: departure from school by coach on Sunday 4 August 2019 and return on Monday 12 August 2019, times to be confirmed.

Please note that our Watersports trips are generally oversubscribed and the places fill very quickly. We therefore operate on a first come first served basis with places secured by payment of the deposit and return of the reply slip only. Please also bear in mind that the school reserves the right to refuse students access to this trip if their behaviour either in or out of school is a cause for concern. The final decision on this lies with the party leader.

If you require any further details please do not hesitate to contact
Ms M Francis - Senior Vice Principal

£800 – paid in 12 monthly instalments

What's included:

- Return coach travel including Euro tunnel crossing and coach travel in resort
- Accommodation in lockable fixed mobile homes with ensuite facilities
- 9 days, 8 nights with full board accommodation
- Fantastic Watersports programme (e.g.; sailing, kayaking, windsurfing, banana boat)
- Evening entertainments (e.g.; beach Olympics, team building games, shopping excursions)
- Use of large swimming pool and games room in resort, restaurant, Internet Café and supermarket
- Daily evening disco
- Day trip to Lloret Waterpark
- Day Trip to Disneyland Paris

What you will need to provide:

- Personal clothing, swimwear and towels (full list will be provided)
- Sleeping bag or equivalent and pillow
- Pocket money (approximately 10 Euros per day + an amount for Disneyland Paris)
- Passport & EHIC card

How to Book:

If you would like your child to participate in the Watersports trip to Spain, please return the reply slip and make a **non-refundable** deposit payment of £200 via ParentPay 31 July 2018:

- Log in to Parentpay.com
- Click on 'Items for Payment' and select Watersports 2019
- Please note: You cannot use your Paypoint Card to pay for trips

Following receipt of the non-refundable deposit payment of £200, the following monthly minimum payments (also to be made via ParentPay) scheduled as follows:

Payments due by:	31 July	2018	£200 (non refundable deposit)
	31 August	2018	£60
	30 September	2018	£60
	31 October	2018	£60
	31 November	2018	£60
	31 December	2018	£60

	28 February	2019	£60
	31 March	2019	£60
	30 April	2019	£60
	30 May	2019	£60

Total: £800

These dates must be adhered to but you can pay more than the minimum should you so wish. If you have any queries or wish to discuss the payment schedule, please feel free to contact me.

Please be aware of the following important information:

- The deposit of £200 is non-refundable.
- All payments must be made by ParentPay. No cash or cheques will be accepted.
- The reply slip must be returned by 31 July 2018.
- In the event of cancellation, refunds can only be returned for illness. Should a student be excluded from school, or his/her behaviour causes concern within the school after having been accepted on a school trip, the Party Leader has the right to stop the student going on the trip. In this event money paid cannot be refunded unless a replacement can be found.
- Passport arrangements: all students will require a full individual passport. Money paid cannot be refunded for failure to make arrangements in time for either renewing or applying for a passport.

Street-Golf Design Project

This year saw the introduction of a Sport and Design programme run by The Golf Foundation which gave boys and girls from Year 7 & 8 a chance to get involved in a new sport alongside some targeted Art and Design sessions.

Alex MacGregor from Addington Court Golf Club came in to run some 'StreetGolf' practical sessions which enabled students to look at different aspects of the sport including chipping, driving and putting.

This gave the group the opportunity to try a totally new activity and develop their coordination through a range of challenging activities. After each practical session, students were given the opportunity alongside Alex to develop their own golfing caricatures and to go through the design and creation process.

These designs were then sent off to a design consultant who then turned them into specific characters for the two teams; 'Fore-B's' & 'Putter Fingerz'. Four members of the project also were given the opportunity to attend the National Street Golf Finals in Wolverhampton as South-East regional winners in order to compete against the regional winners from all other areas of the UK.

Rugby 2017 / 2018

It has been a slow year for the Rugby squad and Mr Rayner (Boys PE) will want a big push next year to get more boys involved in Rugby on a regular basis. Some year groups have shown a real enthusiasm to participate including the Year 7 squad who have taken part in a number of festivals and matches this year.

There is plenty of talent within the year groups but more commitment must be shown toward matches and training for this to equate to success on the rugby field. The Year 7 boys competed very strongly in the Croydon & Surrey RFU competition held at Chipstead Rugby Club and in cold, wintry conditions put in a number of strong displays against some more experienced teams. The Year 10 squad also played in an extremely competitive match against a Riddlesdown team coached by Mr Daniels (Ex Head of Year / PE teacher at SHS) and were only beaten in the last 15 minutes when playing up the 'Shirley Slope' finally took its toll on their weary legs!

There were a number of big performances in the match including Jeremy Kpogo 10L and Max Brady 10E, special commendation must also go to William Coimbra 10H who managed to play for at least 2 minutes with a dislocated shoulder. I really hope that the boys will get fully involved in Rugby next year as there is so much potential within the school and plenty of boys who can make an impact on the rugby field with their strength, speed and skill.

Gifted & Talented and Sports Leader Events

Once again this year, it has been a privilege to work alongside Croydon School Sports Partnership to provide them with support at events using the Gifted & Talented students of Shirley High School. This year has seen the students involved at a number of different events including the Howard Primary School Sports Day at Croydon Arena, the Croydon SSP Super-6's Golf Competition at Addington Court Golf Club and the Oasis Shirley Park Primary School Multi-Activity Day.

During these events, students from Shirley High School have helped to run a huge range of different activities and have received training from the partnership which have developed their communication and leadership skills. The feedback received from all parties has been wonderful and it so pleasing to see the students work so well in a different and pressurised environment.

CrossFit Strength & Conditioning Morning Club

This year has seen the founding of CrossFit club with Mr Rayner on a Thursday morning before school for the Year 10 boys. The club focusses on strength and conditioning sessions with particular focus on bodyweight training and High-Intensity-Interval-Training (HIIT). Although numbers have fluctuated throughout the year, there are some boys who have worked particularly well in the sessions even designing and running their own training sessions to put the boys through their paces, including Rojon Yilmaz 10R and Zachary Blair 10H. Developing these areas of fitness is so important for life-long health and well-being and I really hope that the boys will carry on with their training outside of school. The programme will be up and running again from September 2018 and I hope that many boys will take up this opportunity to develop their fitness.

Instagram Account

This year has also seen the expansion of the SHS PE Department's Social Media outreach with the setting up of the new Instagram account. Our Instagram account can be found [@ShirleyHighPE](#) and contains information of fixtures, training sessions and various events run through the SHS PE Department. This is one of the best places for up-to-date information from the PE team and will be used in conjunction with the other methods of communication used by the wider school community.

Italy Ski-Trip 2019

In other extra-curricular news it has been great to get such a positive response from all year-groups to the new February half term Ski-trip which will be running next year, visiting Folgaria in the Northern Italian Alps for the first time. We will be taking 47 students for the 8-day trip and this will give them the opportunity to ski in one of the most picturesque areas of Europe. The slopes are perfect for skiers of all abilities and the resort will also provide us with plenty of après-ski opportunities including swimming and ten-pin bowling. If you missed out this time round please keep your eyes peeled for future letters as we are keen to arrange this trip on a regular basis in the future.

Year 7 –10 SPORTS DAY

A massive 'thank you' to all who supported the PE Department. I hope you will all agree that it was a very successful event and in general student behaviour was excellent. A special thanks to all who ran field events so smoothly and to those who set up areas in the morning. It is greatly appreciated, until next year!
