SCHOOL PROPERTY & ENVIRONMENT

We are disappointed with the minority of pupils who choose to graffiti and vandalise school property. This behaviour is unacceptable and affects everyone in our community.

This is your school and it is hard to understand why pupils would choose to treat it in this way or why you would not want a clean school with an attractive environment and nice facilities?

Anyone found behaving in this antisocial way will receive a serious sanction and be asked to pay fully for any damage.
CCTV will now be used routinely to identify the culprits.

SAFETY & SECURITY OF OUR SCHOOL SITE & OUR COMMUNITY

What students need to do:

- Understand that safeguarding is the protection of all members of our school community - everyone should feel safe and protected.
