# Toilets - Urgent Message

Sadly the behavior and damage of the school toilets has reached a level that needs urgent addressing.

The school has invested approx £90,000 in modern facilities and has listened to pupils and provided designated areas for specific year groups. However, a small minority are not respecting the facilities and failing to meet the high expectations of our school. Unless behaviour improves members of staff will be stationed outside of all toilets and only allow two pupils at a time to enter. This will come into effect if we do not see the following:

- Pupils using the correct toilets;
- No large groups congregating in the toilets;
- No eating in the toilets;
- No vandalism to the toilets.

If this does not improve the new system stated will be in place start this half-term. Please respect our school and hold others to account. Please report any concerns to a member of staff.

# CALM

The school building(s) is our CALM professional Space. Pupils are expected to:

C	<b>Considerate:</b> Be mindful of others' space and learning. Walk quietly and respectfully around the school.
A	<b>Alert:</b> Stay aware of your surroundings. Watch where you are going, follow the school rules on health & safety, use the appropriate entries and exits, and keep to your left.
L	<b>Low voice:</b> Use whisper levels to avoid nearby classrooms and learning
M	<b>Move with purpose:</b> Walk not run, go directly to where you need to be and ensure that you arrive on time to all lessons.
