BIOMETRIC FINGER PRINT SCANNING CONSENT FORM

Child's Name: Reg:

Dear Parent / Carer

At Shirley High School our Cashless Catering system uses biometrics and pin codes to quickly identify each student. This helps to speed up the lunch service. The biometrics are collected by scanning each person's fingers. The biometrics are stored only on our Cashless Catering system and are not available to any other system. They are not released to outside agencies and they are removed from our system when your child leaves the school.

We would like your consent in order to do this, and use the information in the ways described above. If you're not happy for us to do this, that's no problem – we will accommodate your preferences.

Please tick the relevant box(es) below and return this form to school.

I am happy for the school to scan my child's fingers for biometrics

I am **NOT** happy for the school to use my child's data for any of the above purposes

If you change your mind at any time, you can let us know by emailing our Data Protection Officer at dpo@shirley.croydon.sch.uk, calling the school on 020 8656 9755, or just popping in to the school Reception.

If you have any other questions, please get in touch.
