## Performing Arts College

"Striving for Excellence"

2 October 2019

Dear Parents / Carers and Students

As you will know from our Information Evenings this year, I believe schools should be a safe and happy place that offer opportunities to all and provide students with the chance to fulfil their potential.

Following an incident in school today, I want to make it clear to all families that any behaviour from a student or students that either compromises the ethos and high expectations we hold for our students or compromises the education or welfare of any member of our school community will not be tolerated. Shirley High School will unashamedly enforce the high standards of behaviour we expect and will without reservation, use all resources available, to apply serious sanctions on any student that fails to respect this.

The behaviour of individuals do not represent the amazing and talented students that we have, neither should it bring the school into disrepute. Where students seriously fail to maintain our expectations they are in fact choosing not to be part of our community, and with this choice comes the consequence of us immediately ensuring they will not be able disrupt the learning and the positive experiences of others going forward.

I am proud to be the Principal of this school and excited about the prospect of working together with students and families, to ensure that our community has an exceptional school to be proud of.

Mr T Myton  
Principal
