Dear Parents / Carers

Combined Year 8 Parents' Evening and Options Evening (Parents / Carers and Students) - Thursday 3 May 2018

This is the time when Year 8 students choose some of the subjects that they will study until the end of Year 11. To help reduce Shirley High School's carbon footprint, the options process is completed online. The Options e-Booklet is posted on our website and students have been informed of this during their assembly on Friday 9 March 2018. I do hope they have shared this with you and you have had an opportunity to take a look.

The e-Booklet is designed to give you and your child as much information as possible about the process and all the option subjects. My aim is that by using this e-Booklet you will have all the information you need to make fully informed choices regarding the subjects your child will be studying for the next three years. There are pages giving information regarding the process, about all the subjects Shirley High School offers, important dates in the process and the online application form.

The Year group has had an introductory assembly and in subsequent assemblies, Heads of Departments are presenting to the students, explaining more about their particular subjects.

Information e-booklet goes on-Line	**17 March 2018**
Information Assemblies with HODs (Students Only)	**17 March 2018 – 27 April 2018**
Combined Y8 Parents' Evening and Options Evening (Parents / Carers and Students)	**3 May 2018**
The Application Window	**3 May 2018 – 14 May 2018**
Confirmation Letter	**July 2018**

Options / Parents' Evening - It is very important that you are present at the Options / Parents' Evening on **Thursday 3 May 2018**. At this evening, you will receive essential information about the application process. As it is being completed online, there are security measures that have been put in place. At the evening, every parent / carer will sign for a unique username and password. This will allow access to the application form. Each student has one form and one submission and the username and password acts as a signature.

All will be explained further on Thursday 3 May 2018 and there will be an opportunity for you to ask any questions you may have. The Options / Parents' Evening is also an opportunity for you and your child to visit department areas and ask relevant members of staff specific questions you may have. It will also allow you to see exactly the sort of things that will be studied over the next three years. This is a very exciting time as well as a potentially daunting one, so I hope to provide you with all the information you need to make the process as smooth as possible.

I look forward to welcoming you to the Options / Parents' Evening on Thursday 3 May 2018 where Ms Fair (Vice Principal) and I will be presenting and answering any questions you may have.

Mrs L Manning – Head of Year 8

ITALY SKI TRIP 2019

Shirley High School PE Department will be running a Ski trip to the resort of **Folgaria in Italy** during February half term 2019. The trip will be an **8 night trip** and includes **5 days skiing** with **5 hours** each day spent on the slopes. The cost of the trip is great value at only **£890 per person** and includes all accommodation, travel, food, ski, ski boot and helmet hire as well as fully comprehensive insurance and a number of evening entertainment options. The trip is open to all students from **Years 7-10** and numbers are limited to **40 places**.

All students will be given information sheets and a reply slip during the last week of term and this will include details of the monthly payment schedule to make paying for the trip more affordable. Please contact Mr Rayner (rayner@shirley.croydon.sch.uk) if you have any questions relating to the trip.

Mr J Rayner - Boys PE

On Thursday 15 March 2018, the Post 16 Uniformed Public Services students were visited by a team from the Royal Navy. The group spent the morning learning what it is like to work in the Navy, including looking at the roles and responsibilities the Navy have from guarding our coastline to protecting shipping lanes from piracy to humanitarian aid in times of international crisis.

During the session, students tried out some of the kit the Navy use, explored weapons training using laser sighted mock firearms and had a taste of rations used in the field. In discussions, the group learned about the continuing education offered within the Navy to develop the careers of serving personnel. One of the officers visiting discussed the completion of his masters in engineering, whilst another gained both GCSEs and A Levels after joining up.

It was fantastic to hear first-hand about the roles our Navy fulfil, and also give some time to develop the team work and communication skills vital to success in the public services through the workshop and problem solving sessions delivered after break. Both Year 12 and Year 13 groups enjoyed the opportunity to work with the team and are looking forward to their next visitor from the Ministry of Defence Police.

Miss V Kerley - Head of Performing Arts

For the last year and a half, I have been involved with the Metropolitan Police Cadet, where I have experienced many tremendous opportunities and met lots of interesting people. I have been involved in public meetings which are held in Croydon to engage a wide audience in information sharing and discussion. I was even fortunate enough to be part of a Commendation ceremony based in Scotland Yard, the headquarters of the London Metropolitan Police. It is located on the River Thames at Victoria Embankment just north of Westminster Bridge in the City of Westminster. The Commissioner travelled to Scotland Yard and personally presented a number of Police Officers with commendations and awards. Last year I completed my Bronze award for Duke of Edinburgh gaining a certificate. The aim of this award is for cadets to gain more confidence and transferable skills by completing a recognised qualification This certificate takes pride of place on a Cadets CV's, aiding them in future employment opportunities.

This brings me to speak about an amazing man called **Sir Jack Petchey CBE**

Sir Jack was born into a poor working class family in the East End in 1925. He left school with no qualifications at the age of 13. Sir Jack joined the Navy's Fleet Air Arm in 1943 during the Second World War. He applied for Officer training but was unsuccessful. On discharge from the Navy, he began working as a clerk for the Solicitor's Law Stationary Society. When he applied for management training there he was told he would never make a businessman! Sir Jack refused to give up. Investing his £39 discharge gratuity from the Navy, he bought his first second hand car and started a taxi business. He worked long and hard hours, overcoming adversity and going on to become a multi-millionaire through his various business ventures, which have spanned from motor car dealing and garages to property, travel and investment.

Sir Jack Petchey's taxi business at 92, he still comes to the office every day, but now it is his philanthropy that interests him most. Since establishing the Jack Petchey Foundation in 1999, his businesses have given £100 million to support youth projects. What he 'gives' is greater than money though; the same entrepreneurial skills that he brought to his business have led to some really innovative schemes for young people. Sir Jack seeks to increase young people's aspirations by rewarding their achievements and encouraging them to take pride in what they have done. He brings communities together to really celebrate and ensure that the young people have a moment of glory and that their parents/carers/ teachers and youth workers are there to witness it.

He focuses on the positives rather than highlighting the negatives. Yes, young people face problems and challenges, but Sir Jack believes that if you focus on these you risk creating a negative spiral. Alternatively, if you reward success and help young people feel positive about themselves you can give them the confidence and aspiration to change, overcome adversity and live to their full potential. Sir Jack wants to encourage young people to make a commitment and put the effort in, so his principle is 50/50 – 'you make the effort and I will support too'! He can often be heard quoting the ancient Chinese proverb "Give a man a fish and you feed him for a day. Teach a man to fish and you feed him for a lifetime". He has written an autobiography called '50/50 Man'.

In 2012, Sir Jack was awarded the CBE in further recognition of his services to young people. This was presented to him, in front of hundreds of young people, by Sir David Brewer, the Lord Lieutenant of Greater London, on the behalf of Her Majesty the Queen. After the event, Jack Petchey Foundation work experience student Yasmin McIntosh interviewed Sir Jack about the Foundation and his CBE award. She says: "Speaking to Jack Petchey made me realise the passion and confidence he has in young people in today's society. We should all be nurturing the talents we have as individuals, as well as supporting and encouraging those around us. By working together as a team we can pull each other through the hard times and focus on the good ones." In 2015, as Sir Jack celebrated his 90th birthday, he was able to reflect back on his successes.

An Achiever Network Member, Joanne Langthorne sat down to chat with him about how he had managed to make so much of life. In further recognition of his charitable work in 2016, Sir Jack was Knighted. More than anything Sir Jack believes that people should think of others and give back to society, no matter how small an act of kindness or generosity, he wants young people to know that in giving, you also receive and the world is a better place for it.

I was fortunate enough to receive a Jack Petchey award this year for attending every event and putting in 100% effort as a cadet. I never thought I could ever get this far in life but I believe in myself and know that you can achieve anything in life if you are committed.

Feed Your Brain

With the exam season looming large on the horizon, I would like to draw your attention to Brain food. There is a lot of research regarding what foods are good for you brain but did you know there are even foods that help with revision? Parents / carers often ask what they can do to help with revision and exams and one of the easiest things they can do is to ensure that their child eats well. This coupled with proper hydration and enough sleep is essential in nurturing a very healthy brain.

Shirley High School is a member of the PiXL and PiXL6 club (Partners in Excellence). This is an organisation that brings together hundreds of schools over the country to share good ideas and practice and below is an article from them on what food is good for the brain.

For more information about the research into this, please do visit the following article from the Brain and Spine Organisation and a Top Universities Blog on what to eat when revising:

PiXL Wellbeing

Power yourself to Perform

You need to fuel your body with the right foods at the right times to energise your system, improve your alertness and sustain you through long exams. The wrong food choices can make you feel sluggish, jittery, burned out and crash your energy levels. Exams are like mental marathons so endurance is the key. Use the following nutrition tips to help you perform at your best on exam day.

P – Preparation Start the day with a nutritious breakfast. Your brain needs the energy from food to work efficiently. You need to keep your mental focus on your exam and not on your hunger. The best breakfasts should include slow-release carbohydrates, such as **porridge oats, whole grain bread or low-sugar muesli**, as these provide slow-release energy. Add a protein food, such as milk, **0% fat yoghurt or eggs**, to keep you feeling full for longer, you can also add a **banana, berries of nuts & seeds**. If you really cannot stomach food, then try having a **healthy smoothie**.

E – Energy Levels

Eat at regular times throughout the day and avoid high sugary foods such as pastries, sweets, caffeine and fizzy drinks. These will give you energy highs and crashes. The aim is to keep your blood sugars and energy levels stable by eating a combination of wholegrain carbohydrates, proteins and healthy fats. **Example foods for lunch include wholegrain sandwich, jacket or sweet potatoes with tuna, baked beans or a protein filling. Wholegrain rice or pasta mixed with protein. Wholemeal roll/wrap with cold meat, fish, egg, cheese or peanut butter and salad. Omelette with cheese, ham, mushrooms or tomatoes.**

R – Re-hydrate

Drink a glass of water ideally with lemon at the start of the day. **Carry a bottle of water** around with you and take it into the exam. Limit your caffeine, fizzy or sugary drinks as this will lead to energy highs & lows. Dehydration can cause your brain to shut down, not work effectively & give you headaches. Aim to **drink at least 2 litres of water every day** to help you think faster, keep focused and give your brain energy to function.

F – Focus Fuels

Snack on brain boosting foods throughout the day such as **fresh & dried fruit, nuts & seeds.** Snacks such as **peanut butter on rice cakes or cottage cheese on celery sticks, cheese and oat cakes or crackers, toast and marmite or peanut butter, non-sugary popcorn, 0% fat yogurt, raw vegetables – carrots, avocado, peppers, tomatoes or a small amount of dark chocolate** are all good options.

PiXL Wellbeing

O – Omega 3's –

Omega 3 has been shown to help brain function and increases concentration. It also helps to improve your immune system when your body and mind are stressed. The best source of Omega 3 is **oily fish** such as **mackerel, sardines, salmon & trout**. A great lunch would be **fish on wholemeal toast**. Other foods include **walnuts, chia seeds, spinach & eggs**. You could even take a supplement of **cod liver oil tablets**.

R – Re-think brain blockers

On exam day, stay away from foods made of **white flour, such as cookies, cereal bars, pastries, cakes and muffins,** which require added time and energy to digest. Also avoid foods that are high in refined sugar, such as **chocolates, desserts, and sweets** as these won't keep you stable during a long exam. **Avoid sugary, fizzy or energy drinks** and **limit your caffeine**, as it can increase your nervousness.

Don't have turkey before an exam as it contains L-tryptophan, an essential amino acid which makes you feel sleepy. **Avoid heavy carbohydrate meals** as these can make you feel sluggish if eaten in large quantities. **Eat lighter meals** making sure it is enough to feel satisfied but not so much as to feel full and don't try out foods that you haven't had before!

M – Macro-nutrients

Have a combination of protein, fats, and carbs at every meal on exam day. You need protein to provide amino acids that create dopamine and norepinephrine. These brain chemicals make you feel more alert, attentive, and energetic. You need complex carbs that turn into glucose which fuels your brain. Carbs also create serotonin which can help you feel calm and put you in a positive frame of mind about your test. Having some healthy fats can keep you feeling full longer and help stabilize your blood sugar levels.

MIGHTY MAGNESIUM

Magnesium is involved in over 1000 enzymatic reactions in the body. It's vitally important in providing our cells with energy

Green vegetables
Nuts
Pulses
Fish
Bananas

UP THE B'S

B vitamins are directly involved in creating energy at a cellular level & will give you an energy boost

Green vegetables
Asparagus / Spinach
Broccoli
Yoghurt
Chicken / Turkey / Salmon
Whole Grains / Brown rice
Almonds / Pecans
Eggs

Pre plan your meals during your exams so that you give your brains and bodies the best possible fuel for maximum efficiency and therefore greatest success.

Safer Driving workshop run by Croydon Safety Unit

Safe Drive Stay Alive

On Tuesday 6 March 2018, Year 12 students arrived at the venue to a warm welcome from all colleagues. The session started with a narrator leading us through to the workshop. He impressed us with his banter and humour whilst being interactive with the audience. The narrator even pulled out two people from the audience to play a quiz about driving law!

A short film was played to illustrate the course of drink driving for young teenagers. It portrayed five teenagers who were put in the position to accompany a drunk driver. No seatbelts were worn which sadly resulted in a crash tragically leaving them either losing their life or having to live with the consequences. This had an enormous impact on the room and left everyone in complete shock but proved to be a real eye opener.

Within this film, there were short intervals where certain members of the service would come out and share their most tragic experiences that stayed with them. The overriding cause being drink driving or not driving safely! The first talk was from a paramedic, a police officer, then followed by a fire firefighter including two specific individuals that had personally gone through these tragic experiences! We heard how one of their daughter's had been in a serious accident and the other had been in a car crash and were currently undergoing a slow recovery! This had a huge impact on the room as it made everyone appreciate life and that they must think before getting into a vehicle especially if anyone is under the influence of alcohol whilst driving.

Overall, I personally believe the impression the workshop made on me and my fellow students, was positive, knowing that people would think twice before drink driving.

SKYLINE SUPPORT SERVICES TALK TO US OFF THE RECORD

Off The Record are a young person centred organisation offering counselling and emotional support. They have recently added a new online counselling service to Off The Record's other support services (all detailed on the Off The Record website).

Whilst some young people may prefer face to face counselling there also a number of young people who find it difficult to engage with this type of support for a variety of reasons, including school refusers. When you register you will have contact within 48 hours and be starting to work with a counsellor within 5 working days.

The service is text based, via their secure website, so may not be suitable for those who find reading and writing too challenging or don't have access to a laptop or tablet. They believe passionately that the relationship between counsellor and client is central to the counselling that they offer and this is no different in their online service where young people work online with a counsellor in weekly sessions. All of their counsellors are qualified face-to-face counsellors who have undergone additional training to work effectively in the online environment.

Young people can register independently, please use the link on our website.

A positive parent-child relationship is important for children's social, emotional and mental development. Therefore Croydon Council are pleased to offer a number of parenting courses, covering the different stages of childhood and the unique challenges they can bring. You can chose what courses will suit you and your family best.

Parents or carers who wish to register to attend these courses, or find out more should either;

- speak to their local children centre staff
- speak to their Best Start Worker or Social Worker

Read more about what programmes are available and who they are for in the parenting booklet –

Uniform

The standard of uniform continues to be good this term and I would like to thank parents / carers for their support of the school and working with us to achieve the high standards required.

As we approach the Easter break, please remember that any decisions made regarding extreme haircuts, extreme hair colours, piercings and nail extensions, must be rectified in time for the students to be presented according to our uniform rules on the first day of term – Tuesday 17 April 2018.

Please be advised, particularly in the case of piercings that, irrespective of the timing of the piercing, students will not be permitted to cover them, but will be asked to remove them at school. Notes from home asking for permission for the piercings to remain in or be covered will not be accepted. I would therefore suggest that this two and a half week break is not an ideal time to get new piercings, unless the student is prepared to remove them for school, and ask that you support us with this request to avoid the need for sanctions.

School skirts should be purchased from Hewitts and have either one or two front pleats only – no other style is permitted. There have also been issues with the permitted lengths so to clarify: skirt length should be on or about the knee.

School trousers must be **grey** and be standard fitting **school** trousers. **Trousers that are black or combat or jeans style are not permitted.**

Hair accessories must be navy, black, grey or white in colour only.

School ties have been replaced with clip on ties and it is expected by the end of this year that the majority of our students will be in clip on ties. Please could parents ensure that the ties are clearly named.

There are no changes to our school uniform and if any item of school uniform needs replacing please purchase it from Hewitts – our uniform supplier. You can then be sure that the uniform purchased is both suitable and of the correct style for our school.

Organisation

Please can parents / carers ensure that all students have a fully stocked pencil case as well as the equipment they need for subjects such as Food Technology, PE, Dance etc.

All students must have a pencil case containing:

Pens (at the very **least** - 2 x black, 2 x green, 2 x red)

Pencil (at the very **least** - 2 lead pencils)

Rubber

Pencil sharpener

Ruler

Glue

Being equipped and ready for lessons is very important and prevents the disruption of teaching and learning that occurs when a student does not have the right equipment with which to complete the lesson.

Please also can you ensure that you see your child's student planner daily and sign it weekly. The planner is used as a weekly planner/diary as well as to communicate messages between home and school and record rewards and/or sanctions. The planner also contains information to assist our students with literacy, numeracy, learning skills and general information. Please take your time to familiarise yourself with the planner so that it can be used effectively as a source of information and as a means of communication between home and school. Students should have their planner with them every day.

I would like to wish all our students and their families a very

Happy Easter

Thank you all for your continued support

Ms M Francis - Senior Vice Principal

Attendance and Punctuality

Attendance at this stage of the year is good (approximately 96%), as is punctuality to school and I would like to thank parents / carers for their continued support with this. Please remember that:

At Shirley High School we expect our students to achieve 96%+ attendance during each academic year.

(This means no more than 8 days off in the whole year.)

Students are expected to have less than 3% lates in an academic year.

(This means no more than 6 late arrivals to school in the whole year.)

We do not authorise any absence during the academic year unless a Student Absence Request Form has been completed and is accompanied by the evidence required e.g. an Order of Service for attendance at a funeral, details of when the flight was booked for unforeseen emergencies requiring overseas travel etc. We do not allow time off for holidays during term time as they have a detrimental effect on learning. A student who takes a 10 day holiday during an academic year will only attain 95% attendance, providing that they attend every single other day. If, after having a 10 day holiday, a student is then genuinely ill, then each additional day they are absent from school will reduce their total attendance by 0.5%

Research suggests that 20 missed school days a year i.e. 10% non-attendance = 1 GCSE grade drop in achievement.

Attendance matters …..

100%	=	no days absence from school (September to July)
95%	=	10 days absence (2 weeks) from school (September to July)
90%	=	20 days absence (4 weeks) from school (September to July)
85%	=	30 days absence (6 weeks) from school (September to July)
80%	=	40 days absence (8 weeks) from school (September to July)

Students falling below 93% attendance will be subject to monitoring by the Attendance & Welfare Officer.

Students falling below 90% attendance fall into the Persistent Absence category and come to the attention of the Local Authority. They could be subject to:

- **Parenting contracts and orders**
- **Penalty notices**
- **Prosecution**

Punctuality to school is equally important. Arriving to school on time sets our students up well for the day ahead as well as ensuring they access tutor time with their form tutors, which is where a lot of our pastoral work is undertaken. Poor punctuality has a detrimental effect on achievement as well as general organisation.

- 5 Minutes late = 3.4 school days missed per year
- 10 Minutes late = 6.9 school days missed a year
- 15 Minutes late = 10.3 school days missed a year
- 20 Minutes late = 13.8 school days missed a year
- 30 Minutes late = 20.7 school days a year

Please continue to support us and your child by ensuring their attendance remains above 96% and their punctuality remains good (no more than 3% lates), thereby allowing them to achieve their potential.

If there are problems, queries or questions regarding attendance or punctuality please contact the

Attendance & Welfare Office by telephone on 0208 656 9755 extension 163, or by email on attend@shirley.croydon.sch.uk

Ms M Francis - Senior Vice Principal

The school's Behaviour Policy is available for reference on the school website and a copy of the school rules relating to; attendance and punctuality (also see separate attendance and punctuality policy); general behaviour; the safe use of school premises; uniform; and prohibited and banned items is also available in the student planner.

The aim of the policy is to encourage and reward good behaviour throughout the school thereby promoting a learning environment where everyone can 'strive for excellence'. It aims to:

- Instil our core values;
- Promote good behaviour, self-discipline and respect in and out of school;
- Reward students who meet and exceed our expectations;
- Prevent bullying;
- Ensure that students complete assigned work; and
- Regulate the conduct of students

We are committed to promoting a positive attitude towards our Golden Rule; 'Students are expected to show consideration and respect to all members of the school and local community at all times' and to that end students who behave well will continue to be rewarded and those who do not will continue to be sanctioned in line with our policy.

Parents / Carers have a vital role to play in promoting a positive attitude to school and together with the school, celebrating achievement at all levels and in all areas of school life. We will continue to work with parents / carers and the student to resolve any difficulties that may affect a student's behaviour and the parents / carers' support in this cannot be underestimated.

Unfortunately there are a small minority of students this term who have not always behaved according to our high expectations whilst travelling home from school. Poor behaviour out of school, brings the name of the school into disrepute, damages our good relationships with the local community and will not be tolerated. We will continue to work in partnership with parents/carers and our attached school police officer to bring about, where required, the necessary changes to these students' behaviour.

I would, however, like to congratulate the majority of our students on their behaviour this term. The majority of our students have maintained the high standards of behaviour expected at Shirley and have conducted themselves appropriately both in and out of school.

Thank you for your continued support in ensuring we have the highest standards of behaviour at Shirley High School as well as in our local community.

Ms M Francis - Senior Vice Principal

Shirley High School is proud to offer our students the opportunity to participate in residential trips abroad.
Trips like these are character building, promote independence and offer fun, adventure and friendships as well as giving the students a learning experience that they can only obtain from being on such a trip.
Proposed residential trips abroad for 2019 – 2022:

Summer holidays 2019	–	Watersports trip to Spain
October half term 2019	–	Disneyland Paris
Easter holidays 2020	–	Ski America
October half term 2020	–	Disneyland Paris
Summer holidays 2021	–	Watersports to Spain
October half term 2021	–	Disneyland Paris
Easter holidays 2022	–	Ski America

I am currently taking names of interested students for the trips proposed to get rough ideas of numbers and year groups to help with the planning. If you wish to register your interest for any of these trips please let me know. Formal letters will go out for each of the trips in due course to start the booking process. If you require any further details re these Shirley High School trips please do not hesitate to contact Ms Francis, Senior Vice Principal via email on: francis@shirley.croydon.sch.uk

Rules relating to mobile phones

Mobile phones are not permitted at Shirley High School – there have been no changes to this rule.

They are not permitted on our site and this was made clear to all parents/carers on the admission of their children to the school. With this in mind we are not responsible for the loss or theft of mobile phones on our premises should students break our rules and bring them into school. Any student found in possession or using a mobile phone on our premises will receive a detention and have the phone confiscated.

Please consider the advice of the police in the protection of our young people - they are made more vulnerable by carrying money and personal electronic devices on their person when travelling to and from school. Most crimes reported to the police by young people are committed by other young people and involve the robbery of money, mobile phones and other electronic devices.

Please also consider the national increase of cyber-bullying and sharing of other people's personal information and images as a result of more young people having and using mobile phones and other electronic devices 24/7. The use of mobile devices to share images, video clips of others without their permission is on the increase nationally and is the cause of much upset and distress to young people. It is important that parents / carers are mindful of the issues surrounding the improper use of mobile phones and support the school in preventing these issues occurring through supporting our policy on not allowing mobile phones.

If there are extenuating circumstances which require your child to have a mobile phone in school, a letter should be sent to the Principal explaining these circumstances and requesting special permission to bring a mobile phone into school. If permission is granted, the phone will need to be handed into the office at the start of the school day. It will then be stored in school during the day and returned to the student after school. Please share this responsibility and work in partnership with us to ensure this rule is adhered to. Thank you in advance for your cooperation.

Security

Please can I ask that all parents / carers and other visitors to the school report directly to reception during school opening hours, so they can be signed in as appropriate. Out of hours, visitors must use the entry system either at the school front gate or in Reception so that a member of the site team can meet them and monitor who is on site. Students will challenge or alert school staff and staff will challenge any unauthorised visitors or non-Shirley students on site and direct them as appropriate to Reception to be signed in.

Croydon Safeguarding Concerns regarding Snapchat

The Director Of Education and Youth Engagement for Croydon sent a letter to all Croydon schools regarding recent internet safety concerns.

It is important that this letter is read and the issues raised discussed, as appropriate, with your child(ren). The letter is available on the school website.

Childline have launched an app called 'Zipit' which you may wish your child(ren) to use if they find themselves in the situation where they receive inappropriate requests for images.

https://www.childline.org.uk/info-advice/bullying-abuse-safety/online-mobile-safety/sexting/zipit-app/

Students at Shirley High School receive Internet Safety information through PSHEE sessions and are regularly reminded of the dos and don'ts for safe internet use in assemblies and computer based lessons. They have had internet safety sessions in assemblies in line with Internet Safety Week (5 February – 9 February 2018). For further information on Internet Safety, please see the Surf Safe Guide and the E-Safety presentation slides also on our website.

Live Streaming of Sexual Offending – CEOPS Education Team Briefing

In response to reports of an increased threat of sexual offending via Live streaming apps, the following item posted on the CSCB site gives further information and guidance:
http://croydonlcsb.org.uk/2017/12/live-streaming-of-sexual-offending-ceops-education-team-briefing/

For parents / carers finding out that images and videos of abuse are being circulated by young people and adults on social media, it can be a stressful time and difficult to know what course of action to take immediately. Here are some clear steps to take and important things to remember:

- Please never share a video or image depicting any kind of abuse involving children
- Each time a video or image of abuse is shared it re-victimises the child and increases the likelihood of blackmail, feelings of self-blame and powerlessness
- Report it to the platform it has been shared on e.g. YouTube, Facebook, Snapchat, Instagram etc
- Report it to CEOP if it is an image or video of sexual abuse involving a child with a link to where the video or image is hosted e.g. YouTube, Facebook.
- If it is not on a public platform and it only exists on a device i.e. Phone, tablet. Once reported, with authorisation of CEOP or the Police, delete it from the device it has been sent to (if offender usernames are visible make note of them)
- Encourage other people to report if it is being shared publicly.
  If you work in a school or college and are concerned about what to do with peer to peer sharing of sexual images or videos you can refer to the 'Sexting in schools and colleges guidance'

If a parent or carer is worried about a child seeing inappropriate things online Thinkuknow/parents has more information.
