

VM/P:/MEB/SRE Programme
7 October 2020

Dear Parent/Carer

Re: Year 9 SRE Programme

This academic Year 9 students at Shirley High School will be involved in a Sex and Relationship Education (SRE) Programme with sessions starting for some students on Tuesday 13 October.

Kerry Starrett and Sea Ming Pak (SRE Training Specialists, Croydon Sexual Health Services NHS) will facilitate the sessions. Sessions will take place during the usual Personal Development lessons and will cover the following areas:

- Relationships – Personal Boundaries
- Negotiating skills
- Media influences
- Contraception and Sexually Transmitted Infections
- Avoiding an unplanned pregnancy
- Sex - The law and consent

We recognise that parents/carers play an important role in their child's SRE and we would encourage you to explore questions raised by your child at home as well.

If you have any questions you would like to ask about the programme, or if you would like your child to be withdrawn, please contact Mrs Murawski, Head of Personal Development (murawski@shirley.croydon.sch.uk)

Yours sincerely

Mrs V Murawski
Head of Personal Development
